## RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

### INLAND LETTERS.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

#### If Paid in Advance.

|                                                               |     |
|---------------------------------------------------------------|-----|
| Letter weighing not more than half an ounce,                  | 1d. |
| " " more than half an ounce, but not exceeding one ounce,     | 2d. |
| " " more than one ounce, but not exceeding one and a half     | 3d. |
| " " more than one and a half ounces, but not exceeding two,   | 4d. |
| " " more than two ounces, but not exceeding two and a half,   | 5d. |
| " " more than two and a half ounces, but not exceeding three, | 6d. |

#### Unpaid Letters.

As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example,

weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

### COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

### ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

**NEWSPAPERS AND OTHER PERIODICAL PUBLICATIONS BEARING THE NEWSPAPER STAMP.**

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to news-

papers), may be transmitted and re-transmitted through the post within the United Kingdom free from postage, under the following regulations, viz. :—

1. They are subject to the same restrictions with regard to the number of sheets and superficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shown in the following Table :—

| Amount of Stamps impressed on the Publication. | Maximum Number of Sheets. | Maximum superficial Extent of Letterpress on One Side. |
|------------------------------------------------|---------------------------|--------------------------------------------------------|
| One Penny . . . . .                            | Two . . . . .             | 2295 inches.                                           |
| Three Halfpence . . . . .                      | Three . . . . .           | 3443 „                                                 |
| Twopence . . . . .                             | Four . . . . .            | 4591 „                                                 |

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of 1d.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it, as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of 1d., which must be prepaid by affixing a postage stamp. If this be not done, an additional postage of 2d. will be charged.
11. When a newspaper, etc. is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, etc. be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged 2d. In case of any other irregularity, the publication is dealt

with in accordance with the regulations of the book post.

12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications can also be forwarded under the regulations of the book post; but when so sent, the impressed stamp does not count as any part of the postage.

Newspapers sent abroad, whether to a British colony or to a foreign country, are liable to the 3d, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations; moreover, the name of the newspaper must have been registered at the General Post Office. Every such newspaper is liable to the postage entered in the Table of Colonial and Foreign Postage (British Postal Guide); and this postage must be prepaid in stamps. As respects newspapers going abroad, the impressed stamp stands for nothing. Publications registered for transmission abroad, although not strictly newspapers, are nevertheless, so far as the British Office is concerned, treated as such.

**NEWSPAPERS FOR RUSSIA.**

1. Political newspapers, in covers open at the ends or sides, cannot be received unless addressed either to members of the Imperial Family, to the Imperial Ministers, or members of the Diplomatic Corps.

2. Non-political newspapers may be sent, in addition to the personages mentioned above, only to the higher schools, to the Imperial Public Library, the Academy of Sciences, and established booksellers.

3. Printed prices current and printed circulars may be sent to persons residing in Russia, but are chargeable with a foreign rate of postage in addition.

**PARLIAMENTARY PROCEEDINGS.**

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of 1d. for every quarter of a pound, or fraction of a quarter of a pound.

The words PARLIAMENTARY PROCEEDINGS must be written or printed on the cover of the packet; otherwise it is treated as an ordinary book packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only is charged.

Parliamentary proceedings may be sent, under the book post privilege, to all the colonies, and to those foreign states between which and this country there is a book post.

**INLAND BOOK POST.**

The following are the regulations of the Inland Book Post :—

1. The postage is 1d. for every quarter of a pound or fraction of a quarter of a pound.
2. The postage must be prepaid by means of postage stamps affixed outside the packet or its cover. If the whole postage be not thus prepaid, the packet is treated in the manner described in section 9.
3. Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination. For the greater security of its contents, the packet may be tied at the ends with string; but in such case the postmaster is authorized to cut the string, although, if he do so, he must again tie up the packet.
4. A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass, or in cases containing glass), prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, etc., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints can go, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, etc., or of a portion thereof, is allowed, whether such binding, etc. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, etc. must not be sent as a separate packet, nor can patterns or books of patterns (unless these consist merely of *paper*) be permitted.
5. No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, writing is not only permitted, but recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.
6. No book packet must exceed two feet in length, or one foot in width or depth; and if any such packet be presented at a post office, it cannot be received.
7. Any packet which is not open at the ends or sides, or has any letter or communication of the nature of a letter written in it, or upon its cover, is charged with the 'unpaid' letter postage.
8. If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure is taken

out and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.

9. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate; but any packet which bears no postage stamp is charged with double the book postage.
10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

It is the duty of postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a head postmaster may, when necessary, delay forwarding any book packet, not a newspaper, for a period not exceeding twenty-four hours beyond the ordinary time; and at packet offices the delay may, at the option of the postmaster, be either for that period, or until the despatch of the mail next after that by which the book packet ought otherwise to be forwarded.

The main business of the Post Office being the transmission of *letters*, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag, and hurriedly pressed down like a bundle of letters, should not be sent through the post.

**COLONIAL AND FOREIGN BOOK POST.**

Except that the rates of postage are higher, books can be sent to all British colonies, and to the foreign countries named in the list at page 559, on the same conditions as those of the Inland Book Post; and on those conditions books can also be sent to the countries enumerated at page 560, subject to the modifications there mentioned.

**INLAND PATTERN AND SAMPLE POST.**

The following are the rules of the Inland Pattern and Sample Post :—

1. The postage is 2d. for every quarter of a pound, or fraction of a quarter of a pound.
2. No packet of patterns or samples must exceed 24 oz. in weight. Any packet above that weight is sent to the Returned Letter Branch.
3. The postage must be prepaid by means of postage stamps.
4. There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles: otherwise the packet is treated as a letter.
5. There must be no enclosure other than the samples themselves. The particulars which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags containing them. Any loose enclosure is taken

- out, and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate of 1d.
6. The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, etc. may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened; or in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet is treated as a letter.
  7. If a packet of patterns or samples be posted altogether unpaid, it is charged with double the postage which should have been prepaid. If a portion of the postage be prepaid, even although only a 1d. stamp be affixed, the packet is charged with the amount of the deficiency, together with an additional rate of 2d.
  8. In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any head postmaster for twenty-four hours beyond the time when, in the ordinary course, it would be forwarded.
  9. The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office, is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted, which is found not to be sufficiently guarded, it is stopped, and a notice of its detention is sent to the person to whom it is addressed, or to the sender, who may then obtain it upon personal application; but the packet is charged with a fine equal in amount to the postage to which it was liable as a packet of patterns.
  10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

#### COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

Patterns and samples can be sent at the rates inserted in the Table of Colonial and Foreign Postage to such colonies and foreign countries as are marked in that Table with the letter 'P.' The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions:—

1. A packet of patterns or samples sent to Portugal, Madeira, the Azores, Cape de Verds, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.
2. A packet of patterns or samples sent to Germany, Russia, or Belgium, or to any place

*viâ* Austria, must not exceed 8 oz. in weight; and the weight of a packet for Portugal, Madeira, the Azores, or Cape de Verds, is limited to 1 lb.

3. None of the articles named in rule 9, above, may be sent as patterns or samples to any place abroad, except Germany, Belgium, Denmark, Sweden, Norway, Portugal, Madeira, the Azores, Cape de Verds, and the British Colonies, and not to these places when addressed '*viâ* France.'
4. Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign countries; and samples of intrinsic value must not be sent to foreign countries.

#### REGISTRATION OF LETTERS.

By the prepayment of a fee of 4d., any letter, newspaper, book, or other packet on which the postage has been prepaid in stamps, may be registered to any place in the United Kingdom, the British Colonies, Italy, or the German States; late fee, 4d. extra. To other foreign countries, only letters and packets prepaid at the letter rates can be registered; and to some countries, as shown in the Table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk; and the department cannot in any way undertake the safe conveyance of such packets. All inland letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of 8d. in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted, are detained for the next despatch. As yet, however, this rule applies only to *inland* letters.

Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked 'Registered' be dropped into the letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8d., instead of the ordinary fee of 4d. A registered letter, if reposted as an ordinary letter, with the word '*Registered*' unerased or erased in pencil only, will also be liable to a registration fee of 8d.

Registered letters must be prepaid as regards both postage and registration fee; and if the letter be inland, such prepayment must be by stamps.

No letter-carrier, rural messenger, or other servant of the Post Office, is allowed to carry a letter for any person to be registered.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words 'Parliamentary Notice' must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.
2. These notices must be posted at the General Post Office in Edinburgh.

3. All notices which by the standing orders of either House of Parliament are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.
4. The postage chargeable on these notices, and the registration fee of 6d. on each, must be prepaid by stamps.
5. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

The senders of parliamentary notices should, if possible, arrange on the previous day with the postmaster as to the most convenient time for posting them, and state the probable number.

**LETTERS 'TO BE CALLED FOR.'**

The Poste Restante being intended solely for the accommodation of strangers and travellers who have no permanent abode in Edinburgh, letters for residents in Edinburgh must not be addressed 'Post Office till called for.' Letters addressed to 'Initials,' 'Numbers,' or 'Fictitious Names,' cannot be received at the Poste Restante; if so addressed, they are returned to the writers.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

**PRIVATE BOXES AND BAGS.**

Any person can have a private box who is willing to pay the appointed fee. This fee is fixed at one guinea per annum, and an additional guinea if a bag is used, to be paid in advance, and for a period ending 31st December. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half a guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the surveyor.

**POSTAGE STAMPS AND ENVELOPES.**

Postage labels are of the respective values of 1d., 2d., 3d., 4d., 6d., 9d., 10d., 1s., 2s., and 5s. The embossed envelopes are of four sizes, and are sold

thus: one for 1½d., two for 2½d., four for 4½d., six for 6½d., eight for 9d., and 1s. 1½d. per dozen. Postage stamps are purchased from the public at the Paid Letter Office, and Branch Office, Leith, at a charge of ¾d. on the value of 1s. 8d. and under, and 1d. on 3s. 4d. value, and so on, being at the rate of 2½ per cent.

Every rural messenger is authorized to sell postage stamps (including stamped envelopes) at the same prices at which postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings worth of penny labels.

**MONEY ORDERS.**

The public are recommended, when applying for Money Orders, to use printed 'Application Forms,' which save time, and afford greater security than verbal messages against mistakes. These forms are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

|                           |     |     |     |
|---------------------------|-----|-----|-----|
| On sums not exceeding £2, | ... | ... | 3d. |
| Above £2, and             | ... | 5,  | 6d. |
| ...                       | 5,  | ... | 7,  |
| ...                       | 7,  | ... | 10, |
|                           |     |     | 1s. |

No single Money Order can be issued for more than £10;\* neither can an order contain a fractional part of a penny.

With the subjoined exceptions, no Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address:—

1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the persons composing it, as the 'Carron Company.'
2. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid: otherwise the order can be cashed at the Head Office alone. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office, or alteration of name, be required, the remitter must apply according to the directions printed on the back of the order.

In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has

\* The only exception to this rule in Scotland is when the order is issued in payment of Government taxes, and in favour of the Receiver-General of Inland Revenue. In such a case, the order is not limited as to amount.

first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself, or by another person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

Money Orders do not require a receipt stamp.

Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March): otherwise the order becomes lapsed, and a new order is necessary, for which a second commission is charged. The period for payment of orders issued in the United Kingdom, and payable in any colony authorized to transact Money Order business, including Gibraltar and Malta, is six months; and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. A person presenting a lapsed order is furnished with a copy of a printed notice, headed 'Lapsed Money Orders,' containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money is lost.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment of an order cannot be demanded on the same day as that on which the order was issued.

In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Controller of the Money Order Office of England, Scotland, or Ireland, as the case may be, where the original order was

issued; and if it be desired to stop payment of an inland order, a similar application, with a like enclosure of postage stamps, must be made to the Controller of the Money Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed at the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

No letter-carrier, rural messenger, or other servant of the Post Office, is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

Money Orders are issued at all Money Order Offices in the United Kingdom of Great Britain and Ireland (see List, p. 576): on Money Order Offices in ALEXANDRIA, BAHIA, BUENOS AYRES, CONSTANTINOPLE, GIBRALTAR, MALTA, MONTE VIDEO, PERNAMBUCO, and RIO JANEIRO, at a charge equal to threefold the commission on Inland Money Orders; and on Money Order Offices in the List on p. 584, at a charge equal to fourfold such commission.

The renewal of a lapsed order, the issue of a duplicate order, or the stoppage of payment of an order issued by a colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order* is payable, provided an additional British inland rate of commission be enclosed with the application; except in the case of lapsed orders, when the additional commission will be deducted from the amount of the new order issued by the department; but the lapsed order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the payee or remitter of an order issued by a colony on the United Kingdom, the application on the subject, enclosing an additional colonial inland rate of commission, must be addressed to the Controller of the Metropolitan Office of the colony in which such order was issued.

They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

Husband and Wife may each be insured to the full amount of £100, and may each purchase an Annuity of £50, or a Monthly Allowance of £4, 3s. 4d. Any two persons may purchase an Annuity on their joint lives, with or without continuance of the Annuity to the survivor.

Persons contracting for the insurance of their lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical

premiums or instalments of purchase money at such of the post offices which have been or may hereafter be opened for the purpose, as will suit them best.

Persons proposing to effect insurances on their lives, or to purchase Deferred Monthly Allowances, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required from them, but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals, or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General, inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the Tables framed for the purpose, for the insurance of their lives or the purchase of Deferred Monthly Allowances.

Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide at their own cost such certificates of birth or baptism, or other evidence of age as shall be required of them; and, inasmuch as the premiums fixed by the Tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1s. for every £1 of Annuity purchased.

#### PRINCIPAL RULES OF THE POST OFFICE SAVINGS BANK.

A. Post Office Savings Banks are established at Money Order Offices in the United Kingdom, and are open for the receipt and payment of money

daily during the hours appointed for Money Order business.

At these banks deposits of one shilling, or any number of shillings, will be received; but no one may deposit more than £30 in one year, or more than £150 in the whole, exclusive of interest.

Interest at the rate of £2, 10s. per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one-halfpenny on each complete pound for each month, reckoning from the first day of the calendar month next following the day on which a complete pound has been deposited, up to the last day of the calendar month preceding the day on which the money is withdrawn) is allowed until the sum due to a depositor amounts to £200, when interest ceases to be allowed. The interest due to each depositor is added to the principal due to him on the 31st December in each year.

B. Every deposit in a Post Office Savings Bank must be immediately entered by the postmaster, or other person receiving it, in a book, which book is to be kept by the depositor; and the postmaster or other person receiving the deposit should fix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices at which they make their deposits, and ascertain that they have obtained correct receipts for the sums deposited by them.

In addition to the receipts which the depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the depositor within three days from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland, the acknowledgment should reach the depositor within five days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the depositor's book, the depositor should immediately apply to the Postmaster-General by letter, and should renew his application again and again until he obtains a satisfactory reply.

C. Once in each year, on the anniversary of the day on which the first deposit was made by him, the depositor should forward his deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and in order that the interest due to the previous 31st December may be inserted in it.

D. When a depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same to the Postmaster-

General on a printed form called a Notice of Withdrawal, which he can obtain at any Post Office Savings Bank. When he has properly filled up this form, he must fold it and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive, probably by return of post, a warrant for the amount required by him, payable at the Post Office Bank named by him in the Notice of Withdrawal.

E. A depositor in any Post Office Savings Bank may add to his deposits at that or any other Post Office Savings Bank, and may withdraw the whole or any part of them from that or any other Post Office Savings Bank, without change of deposit book. For instance, if he makes his first deposit at the Post Office Bank at Huddersfield, he may make further deposits at, or withdraw his money from, the Post Office Bank at Huddersfield, or Leeds, Manchester, Birmingham, Edinburgh, Dublin, or any other place which may be convenient to him.

F. No charge will be made to depositors for the books first supplied to them, or for the renewal of those books; but if any depositor shall lose his book, and shall desire a new book, he must make application to the Postmaster-General for the same, and must enclose in his application postage stamps to the value of 1s. to pay for the new book. If a depositor loses his book, he should immediately give notice of the loss to the Postmaster-General.

G. No charge for postage will be made on the depositor for any letter passing between him and the Savings Bank Department with regard to his deposits, or with regard to the withdrawal of the same, or for the transmission of his deposit book between him and the Savings Bank Department.

H. The postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount of his deposits, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Banks.

I. A full statement of the regulations of the Post Office Banks may be seen in the 'British Postal Guide,' and at any Post Office Bank; where also information may be obtained with regard to the rules affecting—

- (A.) The deposits made by trustees on behalf of another person.
- (B.) The deposits of minors.
- (C.) The deposits of married women.
- (D.) The deposits of friendly or charitable or provident societies or penny banks.
- (E.) The repayment of the deposits of deceased depositors to their representatives.
- (F.) The repayment of the deposits of depositors who have become insane, or who are, from other causes, unable to act for themselves.

## FOREIGN.

### OPTIONAL OR COMPULSORY PREPAYMENT.

When a letter, addressed to go by a route that requires prepayment, is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to go back to the writer.

### DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER.

The letter a prefixed to any division shows that

the postage there entered does not carry the letter from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to an *additional* charge upon delivery.

### LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Subject to the subjoined regulations, non-commissioned officers, bandmasters, army school-

masters not being superintending schoolmasters or schoolmasters of the 1st class, private soldiers, or seamen belonging to Her Majesty's ships, whether serving on sea or land, and whether in a British possession or foreign country, as also enrolled pensioners in Canada, can send and receive letters by packet or man-of-war, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows:

| To or from—                                                                                                                                                                        | s. d.        |

| Do. above $\frac{1}{2}$ oz. but not exceeding $\frac{3}{4}$ oz. . . . .                                                                                                            | 0 7          |
| Chili, Peru, or any other place in the South Pacific . . . . .                                                                                                                     | 0 2          |

| Canada, <i>via United States</i> . . . . .                                                                                                                                         | 0 3          |

- The person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer or warrant officer, viz. assistant engineer, gunner, boatswain, or carpenter, the privilege not extending to these officers.
- If the letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable; and if sent by a private ship, the gratuity of one penny to the captain must also be prepaid. If posted abroad, prepayment is not compulsory; but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage or gratuity to a sea captain that may be due.
- The letter must not weigh more than half an ounce.
- It must relate entirely to the private concerns of the soldier or seaman.
- The name of the soldier or seaman, with his class or description, must appear in the direc-

tion, and the officer having the command must sign his name, and specify the ship, or regiment, corps, or detachment to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms:

## SEAMEN.

(Here the direction of the letter to be inserted.)  
C. D., Captain (or other Commanding Officer),  
H.M.S. \_\_\_\_\_

To A. B.,

Seaman, H.M.S. \_\_\_\_\_

(Here the direction of the letter to be finished.)

## SOLDIERS.

C. D., Colonel (or other Commanding Officer),  
Regt. \_\_\_\_\_

To A. B.,

Private (or Sergeant, Corporal, etc.) — Regt. \_\_\_\_\_  
(Here the direction to be finished.)

If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, it will (if not exceeding half an ounce in weight) be detained and returned to the writer for payment of the postage; but if it exceed half an ounce, or if any other of the foregoing regulations be not complied with, it will be forwarded charged the same postage as a letter addressed to a commissioned officer.

## OFFICERS' LETTERS.

Letters addressed to or sent by a commissioned officer (in the Navy or the Royal Marines), or a warrant officer, when employed on board any of Her Majesty's ships, or when temporarily removed from such ships for land service on a colonial or foreign station, are subject to a uniform British rate of 6d. per half-ounce each; but if any such letters have to pass through a *foreign country*, they are subject to a *foreign postage*, in addition to the British rate of 6d. Thus the postage to the under-mentioned countries (including the British charge of 6d.) is as follows:

|                                                                         | Not exceeding $\frac{1}{2}$ oz. | Above $\frac{1}{2}$ oz. but not exceeding $\frac{3}{4}$ oz. | Above $\frac{3}{4}$ oz. but not exceeding 1 oz. | Above $\frac{1}{2}$ oz. but not exceeding 1 oz. | Above 1 oz. but not exceeding 1 $\frac{1}{2}$ oz. |

For heavier letters, see next page.

To secure this privilege, letters from an officer in the Navy must be sent in the bag made up on board his ship. No stamps but British can be used for the prepayment of such letters. The superscription of a letter addressed to an officer in the Army must specify the rank and regiment, corps, or detachment in which the officer to whom the letter is addressed is serving, or the department to which he belongs; and a letter sent by an officer in the Army must have the signature of such officer superscribed thereon,

together with the signature of the commanding officer of the regiment, etc., or the signature of the head of the department to which such officer belongs; and the name of the regiment, corps, detachment, or department, must be subscribed on the letter by the commanding officer or head of department. Unpaid letters sent to or by an officer on board a ship on a colonial station are charged 6d. each on delivery, in addition to the foregoing rates.

Letters for officers and seamen on board Her Majesty's ships stationed at a foreign port should not be addressed to the care of the British Consul at that port, or to any agent on shore, as the privilege enjoyed by officers and seamen, of receiving their letters through the post at reduced rates of postage, is confined to such letters as are addressed directly to them. All letters directed to the care of any other person are liable to the ordinary rate of postage; and in those cases where prepayment is necessary, they will be detained if such ordinary rate be not prepaid. The same rule applicable for military officers and private soldiers.

**LETTERS WEIGHING MORE THAN ONE OUNCE.**

The postage of a letter above the weight of an ounce increases as follows:

When the amount in column E of the Table of Colonial and Foreign Postage is found to be *three times* as much as in column A, as in the case of the Cape of Good Hope, the amount in column A is to be reckoned per *half-ounce*.

When the amount in column E is found to be *four times* as much as in column A, as in the case of Australia, the amount in column C, after the first ounce, is to be reckoned per *ounce*.

When the amount in column E is found to be *five times* as much as in column A, as in the case of France, the amount in column A is to be reckoned throughout per *quarter of an ounce*.

In all other cases, sixpence of the sum found in column A is to be reckoned throughout per quarter of an ounce, and the remainder, in addition, for every half-ounce.

**ROUTES.**

Except in the under-mentioned cases, letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign Postage:

*Exceptions.*—I. Letters for Aden, Alexandria, Borneo, Cairo, Ceylon, China, India, Japan, Java, Labuan, Penang, Philippine Islands, Singapore, and Suez, are sent by the first mail despatched by British packet either *via* Marseilles or *via* Southampton, according to the route indicated by the postage; letters for New South Wales and Malta are sent by the first mail despatched, if the prepayment does not indicate that they are to be sent by another route; and letters for the Cape of Good Hope, Natal, St Helena, and Ascension are sent by the first mail.

II. Letters for Canada posted after the despatch of the mail *via* the United States on Saturday are forwarded by Canadian mail packet on Thursday, unless prepaid at the higher rate.

III. Letters for the Argentine Confederation, Brazil, Buenos Ayres, Cape de Verds, Cuba, Guadeloupe, Martinique, Mexico, and Monte Video, are, provided the prepayment be sufficient, sent in the mail *via* France, if that be the first mail despatched after the time of posting.

IV. Letters for Austria, Baden, Bavaria, and Wurtemberg, if insufficiently paid for transmission *via* France, but sufficiently paid to

be sent *via* Belgium, are forwarded by the latter route.

**PRUSSIA AND THE GERMAN POSTAL UNION GENERALLY.**

According to the regulations of the German Postal Union, no letter exceeding 50 grammes (a little more than 1½ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any letters, therefore, forwarded in the mail to Prussia above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

**TRANSMISSION OF JEWELLERY, ETC. TO SPAIN, TURKEY, AND COSTA RICA.**

The laws of Spain forbid the transmission by the post within that country of letters or other packets containing watches, jewellery, or other articles of value, which are liable to Customs duties. Any such packets, therefore, which may be forwarded in the mails to Spain will not be delivered, but will be sent back from the frontier. A similar prohibition, on pain of forfeiture, is placed upon the transmission of diamonds and other jewels to the Turkish Empire, and of money and jewellery to the Republic of Costa Rica.

**REGISTRATION OF LETTERS, ETC.**

The fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid, or the letter cannot be registered*, will be found against each country or place in the Table of Colonial and Foreign Postage. Letters, newspapers, books, and patterns may be registered to any place in the British Colonies, the United States of America, Italy, or the German States; but to other Foreign Countries only letters, and packets prepaid at the letter rates, can be registered. To some countries, as shown in the Table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

Where the prefix '*in*' is made use of in the column of fees in the Table of Colonial and Foreign Postage, the letter can be registered only to the port of arrival; it being left in those cases to the postal authorities of the country to which that port belongs to continue the registration if they think proper. Where the word '*none*' appears, no registration can be effected.

*France and Countries through France.*—The registration fee upon letters addressed to France or countries through France (*exclusive of those sent in the closed mails to India, Hong Kong, Ceylon, Mauritius, Australia, Gibraltar, via France, Malta, Constantinople, Austria, Portugal, Spain, or Italy, except the Papal States*) is not a fixed sum, but is in all cases equal to the postage.

**LETTERS BY PRIVATE SHIPS.**

Letters intended to be sent by private ship must be addressed 'By Private Ship;' and if by a particular vessel, the name of the ship must be added. The postage of a letter by a private ship to Belgium, Belize, and the British West Indies, is 3d. not exceeding ½ oz., and 3d. is charged in the case of heavy letters for every additional ½ oz.; to Norway,

the Cape of Good Hope, Natal, St Helena, and Ascension, the postage is 4d. not exceeding  $\frac{1}{2}$  oz., and 4d. is charged for every additional  $\frac{1}{2}$  oz.; to France, 4d. is charged for every  $\frac{1}{2}$  oz.; to Holland, 8d. not exceeding  $\frac{1}{2}$  oz., 1s. 4d. not exceeding 1 oz., 2s. 8d. not exceeding 2 oz., and 1s. 4d. for every additional ounce; in all other cases, the single rate is 6d., and the postage for heavy letters progresses in the same manner as the postage of letters sent by mail packets. Letters may be sent unpaid to the following places, viz.: Azores, Belgium, Belize, British West Indies, Canada, Cape de Verds, Cape of Good Hope, Ceylon, Falkland Islands, France and Algeria, Gold Coast, Holland, Hong Kong, India, Madeira, Mauritius, Natal, New Brunswick, Newfoundland, Nova Scotia, Portugal, Prince Edward Island, St Helena, Sierra Leone, and the United States.

Newspapers by private ships to the Azores, Cape de Verds, Madeira, and Portugal, are charged 2d. each; in all other cases they are charged 1d. each.

**HOT CLIMATES.**

The practice of sealing letters passing to and from the *East and West Indies*, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended in all such cases to use either wafers or gum, and to advise their correspondents in the countries referred to do the same.

**PREPAYMENT, ETC.**

Letters addressed to places abroad may be prepaid in this country either in money or stamps, but

such payment must be wholly in stamps or wholly in money. Newspapers, book packets, and patterns must always be prepaid, and this by stamps.

With certain exceptions, the only admitted evidence of the prepayment of a letter, *inwards*, is the mark agreed upon with the particular foreign country or colony.

Naval officers, marines, and seamen serving abroad, are allowed to prepay such of their letters as are conveyed in their ship's bag with English postage stamps.

When prepayment is *optional*, any outward letter (that is, a letter posted within the United Kingdom, and addressed to some place out of it) posted with an insufficient number of stamps, is charged on delivery with the deficient postage in addition; unless the letter have to go to the United States, or to a country through France, in which case it is treated as wholly unpaid, the postal arrangements with these countries not allowing the recognition of partial prepayment. When, however, prepayment of the whole postage is *compulsory*, a letter or aught else posted with an insufficient number of stamps is sent (by the first post) to the Returned Letter Office.

Letters to or from Australia and New Zealand, posted wholly unpaid or paid less than one rate, are detained and returned to the writers for postage; but those on which one rate, although not the whole postage, has been paid by stamps, are (except in the case of Tasmania) forwarded charged with the deficient postage, and an additional rate as a fine. Letters for Tasmania *must be fully prepaid*.

Letters posted unpaid (wholly or in part), addressed to the under-mentioned places, are on delivery charged 6d. each in addition to the ordinary postage:—

| Nova Scotia.   |                               |

Majorca, Minorca, and Spain insufficiently prepaid, are, provided one rate at least be paid, charged with double the deficiency, and those for Algeria, France, or Austria insufficiently prepaid are charged at the unpaid rate less the value of the stamps affixed.

Those for Alexandria, Cairo, and Suez, sent *viâ* Marseilles by British packet, and those for the following places sent by French packet, are charged with a postage of 9d. per  $\frac{1}{4}$  oz.:—

Letters posted unpaid (wholly or in part) for Belgium, or Holland *via* Belgium, are charged 3d. each in addition to the ordinary postage; those sent to Holland *via* France are charged 8d. per  $\frac{1}{4}$  oz., and those for the United States an additional postage of 5 cents each.

The same rates are chargeable in this country upon letters posted unpaid wholly or in part from the above places, except from Alexandria, Cairo, and Suez, *via* Southampton, China, and Holland *via* France, which are charged the prepaid rate only, and from the United States, which are charged an additional rate of 6d. each.

**LETTERS FOR PASSENGERS ON BOARD MAIL PACKETS.**

Letters for passengers on board the Cunard packets for America touching at Queenstown, provided they be addressed to the care of the officer in charge of the mails on board of such packets, and

be registered, may be posted in any part of the United Kingdom up to the time at which ordinary registered letters for America by the same packets are received.

Letters for passengers on board the Mediterranean packets about to sail from Southampton with the mails for India, Australia, China, Mauritius, etc., or on board the Canadian packets touching at Londonderry, may, under similar conditions, be posted up to the same time as ordinary registered letters for India, Australia, etc., or for Canada.

The letters should be addressed thus: 'Mr. \_\_\_\_\_, on board the mail packet at Queenstown [Londonderry or Southampton]. Care of the Officer in charge of the mails.'

Letters directed to the care of the Packet Agent at Suez, and despatched by the mail *via* *Marseilles*, which follows the mail *via* Southampton, will probably reach passengers for India, etc., who have sailed in the packet from Southampton.

In Spain, as a rule, the circulation is prohibited of all articles which are not either letters or printed papers; but patterns and samples may be sent under the following regulations:—

1. The patterns or samples themselves must be of no intrinsic value whatever.
2. They must be enclosed in covers open at the ends or sides, or in such other manner as to admit of a thorough inspection.
3. The covers must contain no writing except the usual trade marks and numbers.
4. Packets of patterns and samples thus forwarded will be liable in this country to the same rates of postage as ordinary letters for Spain, viz. 6d. for a packet not exceeding a quarter of an ounce in weight, increasing for heavier weights at the rate of 6d. for each quarter of an ounce; and such postage must in all cases be paid in advance.

The following is a List of the Exceptional Rates of Postage on NEWSPAPERS:—

\* The only Post Offices in Western Australia which are authorized to issue Money Orders on the United Kingdom, and to pay Money Orders issued in the United Kingdom on Western Australia, are those at Perth and Albany (King George's Sound); but local arrangements are now in operation in the Colony, by which Orders drawn on *Perth* in favour of persons residing in the above-mentioned Towns and Districts can be negotiated, and the signature of the payee always obtained on the Orders.

The renewal of a lapsed Order, the issue of a duplicate Order, or the stoppage of payment of an Order issued by a Colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order is payable*, provided an additional British Inland Rate of Commission be enclosed with the application; except in the case of lapsed Orders, when the additional commission will be deducted from the amount of the new Order issued by the Department; but the lapsed Order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of Colonial Orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the Payee or Remitter of an Order issued by a Colony on the United Kingdom, the application on the subject, enclosing an additional Colonial Inland rate of Commission, must be addressed to the Controller of the Metropolitan Office of the Colony in which such *Order was issued*.

| ... 4000 and upwards—every bill of the set, for every £1000, or part of £1000—3s. 4d. (23 Vict. c. 15.) |      |    |    |   |

*Note.*—The duty on a Foreign Bill, on and after 3d April 1860, drawn or indorsed out of the United Kingdom for the payment of money on demand, is the same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict. c. 15.) See above.

The word 'indorsed' is held by the Board of

Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

Foreign Bill drawn in but payable out of the United Kingdom on demand, although to be indorsed out of the United Kingdom, if not drawn in sets, would be liable to duty of 1d.

[The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it, and cancel the stamp by writing his name or the name of his firm and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purported, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so, as if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 33.) The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word 'paid' upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.]

If a Foreign Bill payable abroad, and as to which the provision 'drawn in sets of three or more' apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue (see *North British Daily Mail*, 3d November 1854). But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same account; that is, if one of the parts have the full duty, the others may be unstamped (see *Times*, 6th November 1854). The schedule of the Act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Vict. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set; and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty, £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (16. § 6.) This applies only to bills drawn within and payable out of the United Kingdom. BILLS payable on demand, and indorsed out of the United Kingdom, wheresoever drawn, are held to be Foreign Bills, but chargeable with the same duty as Inland Bills not payable on demand. (27 & 28 Vict. c. 56, § 2.)

INLAND BILL, DRAFT, or ORDER, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment

of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

BILLS OF LADING, .....6d.

[Bills of lading cannot be stamped after signing. The penalty for signing unstamped bill of lading is £50. (5 & 6 Vict. c. 79, § 24.)]

RECEIPTS for money amounting to £2 or upwards, 1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to Stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—

*Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.*

*Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.*

*The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money, is repealed by 17 & 18 Vict. c. 83, § 13.*

[Stamps may be impressed or affixed. Where adhesive stamps are affixed, the grantor is required to cancel the stamps by writing, stamping, or impressing in ink, his name or initials on them. Penalty for omission, £10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent act to defraud of duty, £20. (16 & 17 Vict. c. 59, § 3, 4, and 5; 24 & 25 Vict. c. 91, § 33.)]

REGISTERING OF DEEDS. See under DEEDS.

RELINQUISHMENT OF SUPERIORITY, Deed of. See DEED.

The instrument, under the hands of a N.-P., in favour of an heir or donee of a creditor in an heritable security—Form No. 3, 8 & 9 Vict. c. 31; the notarial instrument, § 1; the notarial instruments under the Titles to Land Acts, 21 & 22 Vict. c. 76, and 23 & 24 Vict. c. 143, are liable to Notarial Act duty only.

SCHEDULE or INVENTORY of heritage or moveables, or containing the terms of any proposed sale, lease, etc., or regulations for the cultivation and management of any farm, etc., separate from and referred to in lease, bond, deed, agreement, etc., chargeable with any Stamp duty not exceeding 10s.—The same duty as shall be chargeable on such lease, bond, agreement, etc.; and where referred to in such, chargeable with a duty exceeding 10s.—10s. Progressive duty, 10s.

SCRIP CERTIFICATE, after 4th August 1853.—The duty of 1d. imposed by 16 & 17 Vict. c. 63, § 8, repealed after 12th August 1867. (30 & 31 Vict. c. 90, § 22.)

SCRIP.—Letter of allotment of any share of any company, or in respect of any loan raised or proposed to be raised by any such company, or letter of allotment issued or delivered in the United Kingdom of any share of any foreign or colonial company, or proposed company, or in respect of any loan raised, or proposed to be raised, by or on behalf of any foreign or colonial government, state, company, or corporation; including letter of renunciation or other document having the effect of a letter of allotment in favour of any person.....1d.

[If a person sign, grant, issue, or deliver letter of allotment or scrip certificate, before the same shall be duly stamped, to forfeit £20. (30 & 31 Vict. c. 90, § 21.) The stamp applicable is the impressed stamp, not adhesive.] (16 & 17 Vict. c. 63.)

SETTLEMENT.—Any deed or instrument, whether voluntary or gratuitous, or upon any considera-

tion other than a *bona fide* pecuniary consideration, whereby any *definite and certain* principal sum or sums of money, or any *definite and certain* shares in any stocks or funds, shall be settled or agreed to be settled upon or for the benefit of any person or persons, either in possession or reversion, either absolutely, or for life or other partial interest, or in any other manner whatsoever,—if such sum or sums, or the value of such share or shares, together, shall not exceed in the whole £100—5s.

And if the same shall exceed £100, then for every £100, and fractional part of £100—5s.

Bonds, debentures, policies of insurance, covenants, or contracts settled or agreed to be settled, shall be deemed to be settlements of the principal sums of money in them. But in the case of policies of insurance, if no provision for keeping them up, the duty shall be charged only on the value of such policies. (27 Vict. c. 18, § 12.)

As to the mode of ascertaining the value of the foreign and colonial stocks, funds, and securities, and sums in foreign and colonial currency, see *ib.* § 13.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with, and which shall have paid any such duty exceeding £1, 15s., it is not chargeable with the *ad valorem*

duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

## INVENTORY DUTY.

### I. PERSONAL ESTATE:—

#### *Exhibition of the Inventory, and mode of paying the Duty.*

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or moveable estate in Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or moveable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the books of the said Court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 & 22 Vict. c. 56, § 3 and 8.)

Oaths and Affirmations to Inventories of personal

estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the Peace within the United Kingdom or the Colonies, or any British Consul. (21 & 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in *Scotland*, the personal estate in *England* and *Ireland*. The estate in *England* and *Ireland* shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in *Scotland*. A Confirmation, in which shall be included personal estate in *England* and *Ireland*, on being produced in the principal Probate Court in *England*, and the Court of Probate in *Dublin*, and a copy thereof deposited with the Registrar, together with a copy of the interlocutor of the Commissary finding that the

deceased died domiciled in Scotland, is to be returned sealed, and is thereafter to have the same force and effect in England and Ireland as if Probate or Letters of Administration had been granted by these Courts. (21 & 22 Vict. c. 56, § 9, 12, and 13.)

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and Ireland where the deceased died domiciled in Scotland, and the like provisions as to the payment of Probate and Administration Duty where the deceased died domiciled in England and Ireland. It is therefore still competent to pay Inventory Duty on the estate situated in Scotland, and Probate or Administration Duty in respect of the estate in England and Ireland. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in Scotland, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in England or Ireland, on the Inventory, or obtaining confirmation in respect thereof.

#### *Additional Inventory—Corrective Inventory.*

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 & 17 Vict. c. 59, § 8, such additional Inventory shall be *chargeable only with such amount of Stamp Duty* as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, shall make up the full amount of Stamp Duty, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original Inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

*Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, etc., Personal Property in England—British Ships at Sea—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.*

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.) The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased. (*Ib.* § 5.) Indian Government Promissory Notes and Certificates issued, or Stock created in lieu

thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enforced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased (23 Vict. c. 5, § 1): Also any ship, or any share of a ship, belonging to a deceased person, registered at any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to have been at the time aforesaid in the port at which she may be registered (27 & 28 Vict. c. 56), and liable to Inventory, Probate, or Administration Duty. 'The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to Her Majesty by the person making oath to said Inventory and additional Inventory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to Her Majesty by the person who shall intrmit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors.' (23 & 24 Vict. c. 80, § 5.)

## II. MONEY SECURED ON HERITAGE, ETC.

The Act 23 Vict. c. 15, § 6 (3d April 1860) declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with Inventory, Probate, or Administration Duty.

The Act 23 & 24 Vict. c. 80 was passed to regulate the levying and collection of the said duty. Sec. 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15; and sec. 8 further explains what shall be subject to duty. Sec. 9 of the Act 23 & 24 Vict. c. 80 repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that *now in all circumstances such property is liable to Inventory Duty.* Sec. 1 is in these terms:—

#### *Description of Property liable to Duty, and Commencement of Duty.*

'All money secured on heritable property in Scotland, and all money secured by *Scottish* bonds and other instruments, excluding executors, and all money secured by *Scottish* bonds and other instruments, the rights to which

shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of April in the year 1860, shall be liable to Inventory Duty under the said recited Act.'

There are two modes of paying the duty provided for—23 & 24 Vict. c. 80, § 3, 4:—

*Two Modes of Paying the Duty.*

1. By a 'Special Inventory' of the property, to be lodged with the Solicitor of Inland Revenue at Edinburgh (a form of which, with relative oath, is given in the schedule to the Act), stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate, according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.
  2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.
- This second mode will generally be the most advantageous for the taxpayer; and will be followed when the interest in the heritable and moveable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

*Value to be at the date of the oath to the Inventory, and Inventory to include proceeds to that time.*

The 5th section of 23 & 24 Vict. c. 80 provides that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

*Act retrospective as to time of valuing Personal Estate.*

It will be observed that the Inventory Duty on money secured on heritage, etc. is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860 (23 & 24 Vict. c. 83, § 1); but the

provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the Act (6th August 1860), without regard to the date of death.

III. GENERAL OBSERVATIONS.

*Modes in which Duty may be paid when deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on heritage.*

In the case of a person dying domiciled in Scotland having personal property in Scotland, England, and Ireland, and also money secured on heritage, etc.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a 'Special Inventory' of the money secured on the heritage, etc., and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

*Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.*

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

For Probate and Administration Duty, debts and sums of money due from persons in the United Kingdom to a deceased, on obligation or other specialty, shall be estate and effects of deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

*Exemptions.*—Inventory of the estate of any common seaman or soldier dying in service.

Additional Inventory where the duty on the whole estate does not exceed that already paid on the former Inventory.

*Note.*—Forms of Inventory and Additional Inventory will be found in the *Juridical Styles*, vol. III. Appx. pp. 8 and 11. Forms will also be obtained at the office of the Solicitor of Inland Revenue, Edinburgh.

*RENTS.*—*Landed Property.*—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executory. Where the deceased is a life-renter or heir of entail, and the rents are payable under instruments dated subsequent to 16th June 1834, a proportion corresponding to the period from the preceding term to the date of death is also personal (4 Will. IV. c. 22). *House Property.*—The term's rents current at the death are personal. The Apportionment Act would appear not to apply to the rents of property held by the deceased in fee-simple. See *Baillie v. Lockhart*, House of Lords, 23d April 1855.

*Stocks and Debts of Foreign Governments and Companies.*—Documents of the debts of Foreign Governments and Foreign Companies which pass from hand to hand are property where the documents may be. Debentures or bonds by Foreign Companies and Governments, and the title to Stocks of Foreign Companies and Governments in the possession of a party dying in Scotland, if they can be sold in the market, and the right of the purchaser completed to them in this country, are property situated in this country and liable to Inventory Duty. See *Attorney-General v. Bouwens*, 4 Meeson and Welsby 171.

## RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 & 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. A return of the duty paid

on heritable securities may also be made in certain circumstances. See 23 & 24 Vict. c. 80, § 4 and 6. No return shall be given in respect of any voluntary debt due from any person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under any instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 & 25 Vict. c. 92, § 3.)

LEGACY DUTY.

| <i>On Legacies, Residues, etc.</i>                           | Duty per cent. |
|--------------------------------------------------------------|----------------|
| To children or their descendants, or lineal ancestors, . . . | £1 0 0         |
| Brother or sister, or descendant, . . .                      | 3 0 0          |
| Uncle or aunt, or their descendants, . . .                   | 5 0 0          |
| Grand uncle or aunt, or their descendants, . . .             | 6 0 0          |
| All other relations or strangers, . . .                      | 10 0 0         |

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such near relationship. (16 & 17 Vict. c. 51, § 11.)

This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument. (55 Geo. III. c. 184, sch. part iii.)

Annuitants commencing to be payable on the death of persons dying after 19th May 1853 are valued for legacy duty according to tables annexed to the Succession Duty Act (16 & 17 Vict. c. 51); and Annuities commencing to be payable previous to that date, by the tables annexed to the Legacy Duty Act (36 Geo. III. c. 52).

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty, though each or either may be separately under that amount.

*N.B.*—Printed forms and regulations regarding all the succession duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the Distributors of Stamps in the country. Practical directions as to the settlement of the Legacy Duty will be found in *Juridical Styles*, vol. II. Appx. p. 27.

**SUCCESSION DUTY.**—The duty commences on the death of persons dying after the 19th May 1853

(16 & 17 Vict. c. 51, § 2 and 54), and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

*Personal property* is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personalty (§ 1).

The property chargeable with duty is called 'Succession' (§ 1), and 'Successor' denotes the person entitled to it, and 'Predecessor' the person from whom the interest of the successor is derived (§ 2).

*Rates of Succession Duty.*

- Lineal issue, or lineal ancestor of the predecessor, £1 per cent.
- Brothers and sisters of the predecessor, and their descendants, £3 per cent.
- Brothers and sisters of the father or mother of the predecessor and their descendants, £5 per cent.
- Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants, £6 per cent.
- Any other person, £10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18); and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (*ib.*).
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (*ib.*).

*Note.*—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the Distributors of Stamps in the country. Practical directions as to the settlement of the Succession Duty will be found in *Juridical Styles*, vol. II. p. 38.

DISCOUNT ON THE PURCHASE OF STAMPS.

Purchasers of stamps (except receipt, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in whole, are allowed discount at the rate of 30s. per cent. (12 & 13 Vict. c. 80.) The like discount is allowed to any person lodging at Edinburgh, paper or forms containing printed matter only, to be impressed with stamp duties under the value of £10 each, but to the value of £30 or upwards in whole.

To persons who at one time shall produce at the office of Inland Revenue in *London, Edinburgh, or Dublin*, paper to be stamped with, or shall purchase at the office in *London, Edinburgh, or Dublin*, stamps to the amount of £2 or upwards, or of any distributor or sub-dis-

tributor of stamps at any place not within the distance of *ten* miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange, Drafts or Orders, or Promissory Notes, or Stamps*, for denoting the duty of one penny on any instrument or document whatever (except postage stamps and customs stamps), an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps. (23 & 24 Vict. c. 111, § 3.) Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp duty, £10. (*ib.* § 25.)

## REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Peebles, Perth, Stirling, and Tain.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a justice of the peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Monday se'ennight, and within six weeks from the date of the ticket; if not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments; if the stamps belong to persons beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill be produced, in all respects the same excepting the correction of the error.

As to the exchange of sea policies of insurance, see 30 Vict. c. 23, § 17. The cases for allowance are—

1. Where policy shall be inadvertently filled up in an incorrect or improper manner;

2. Or be obliterated or otherwise spoiled and rendered unfit for use;

3. Or shall be filled up for some insurance which shall not be proceeded in, and the same shall not be signed by any underwriter, but in no other case.

Application must be made within six months after the policy shall be spoiled or become useless.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for, or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped. (See 53 Geo. III. c. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3 & 4 Will. IV. c. 97, § 19, may, in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the percentage allowed by law on the purchase of stamps.

## STAMPING DEEDS AFTER BEING SIGNED.

*Beyond Twelve Months.*—The duty or deficiency of duty shall be due and payable to Her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of five per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

*Within Twelve Months.*—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty. (13 & 14 Vict. c. 97, § 12.)

*Abroad.*—If the deed shall be executed by any party abroad, it may be stamped without any

penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners. (13 & 14 Vict. c. 97, § 13.)

*Adhesive Stamps.*—Where adhesive stamps may be affixed to any instrument, an officer of Inland Revenue, authorized by the Commissioners, may, on the instrument being produced to him, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument is not affected by this provision. (24 & 25 Vict. c. 91, § 32.)

*N.B.*—The following notice, dated 17th April 1868, has been issued, as to receiving and stamping instruments and forms at Edinburgh:—

Instruments and Forms will be stamped at No. 10 Waterloo Place, Edinburgh, subject to the following conditions:—

## INSTRUMENTS.

Instruments (other than agreements liable

to a duty of 6d., and charter-parties\*) which may be lawfully stamped, will, if presented within two months after the first date, be received on any lawful day, except Saturday, between the hours of 10 A.M. and 2 P.M.

Instruments lodged on Friday before 2 P.M., or on Saturday before 12 noon, will be delivered to the person or persons presenting the relative ticket or tickets on the following Monday, or on the first lawful day thereafter, between the hours of 1 and 2 P.M. If lodged on Monday, Tuesday, Wednesday, or Thursday, instruments will be delivered out, on presentation of the relative tickets, between 1 and 2 P.M. on the day immediately following that on which they were lodged, or on the first lawful day thereafter, except Saturday. Each instrument must be called for on the day and at the time indicated in the ticket issued when the instrument was lodged; and the ticket must be produced when the instrument is called for.

Agreements liable to a duty of 6d. will be received within fourteen days after date, and stamped and delivered out as above indicated.

Charter-parties will be received within seven days after date, on payment of a duty of 6d. and 4s. 6d.; after seven days and within one calendar month after date and first signing, on payment of the duty and £10.

\* As to stamping agreements and charter-parties, see notes under these heads.

#### FORMS (DRAFTS, RECEIPTS, ETC.)

Will be received on every lawful day, between the hours of 10 and 11 A.M., and will be delivered out between 10 and 11 A.M. on a day which will be indicated in the respective tickets delivered to the persons lodging such forms, or in printed notices to be thereafter addressed to them.

It will materially conduce to the despatch of business if the forms to be stamped shall be made up in packets not exceeding 10,000 or thereby.

In ordinary cases, and in the absence of any undue pressure, forms will be delivered out within forty-eight hours after they shall have been lodged.

Schedules for the use of persons lodging instruments or forms will be supplied at the office.

The duties to be impressed on instruments or forms must be paid to the cashier, No. 3 Lobby, before the goods are lodged.

Of the goods lodged, due care will be taken; but it must be understood that the risk is with the owners and not with the office.

If an opinion shall be required as to the duty payable in respect of any deed or instrument, application for an adjudication schedule must be made at the Solicitor's Office, No. 5.

#### DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh), and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid; and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence, notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor to instruments after being signed, prohibited from being stamped. On the stamp duties assessed being paid, and 40s. for costs being deposited, the opinion of the Commissioners may be appealed against to the Court of Exchequer in Scotland, if the deed has been presented for the opinion of the Commissioners at their office in Edinburgh; to the Court of Exchequer at Westminster, if the deed has been presented at London; to the Court of Exchequer in Ireland, if the deed has been presented in Dublin. (13 & 14 Vict. c. 97, § 14

& 15; 28 & 29 Vict. c. 96, § 22.) The Commissioners may also adjudge on deeds not liable to any Stamp duty; and if any duty is assessed, the party may appeal. (16 & 17 Vict. c. 59, § 13.)

*N.B.*—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely (*see above*). The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3 Lobby. Then the schedule (the duty to be impressed of course not being inserted in the schedule), the instrument after execution, and an abstract (written on foolscap paper) of it giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page on which each commences, are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party who can give explanation must call on the Assistant-Solicitor, No. 6; and he should be prepared to pay the proper duty, and penalty if any, to the Cashier, No. 3 Lobby.

#### DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5 Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a week to the Head Office. The principal instrument, as well as the dupli-

cate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

*Mem.*—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

## HACKNEY CARRIAGES IN EDINBURGH.

### FARES BY DISTANCE.

1. The distance to which any hackney carriage may be driven under these Bye-laws, shall be seven miles from the Cross of Edinburgh.

2. When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a carriage at a stance, or when driving along disengaged, they shall be driven half a mile for 6d.; and if they return they shall pay the same fare. The driver shall draw up to either side of the pavement when called; and if detained more than five minutes before starting, he shall be entitled to 6d. for waiting.

*N.B.*—This rule shall not apply to fares from railway stations.

3. Excepting the Sixpenny Fare, the fares by distance shall be shown in the annexed Table of Fares. The charges in the table shall include going from the stance or stable to the hirer's residence, and waiting ten minutes. But if the carriage be detained, before starting, more than ten minutes, a charge for waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the hirer is to be taken up be beyond half a mile from the stance or stable whence the carriage is taken, there shall be a charge of 6d. for such distance.

4. When any place is not mentioned in the table, the fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5. When the fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the fare shall be 1s. for a stance from the stance not exceeding a mile and half, and sixpence for every additional half-mile or part thereof.

6. Half fare returning with the party, excepting the half-mile drive.

7. When parties return (which they shall have the option of doing), and the fare going is 1s., the carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the waiting expires.

8. When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the stance or stable, and 1s. if beyond that.—Waiting as in section 7.

### FARES BY TIME.

It shall be in the option of the hirer to employ a carriage within the municipal bounds by time, for STOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

For an AIRING into the country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be 6d. for every ten minutes, or 3s. per hour. A drive round the Queen's Drive shall be considered an airing. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

### WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1. The hirer pays tolls.

2. If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

3. From twelve at night till seven morning—double fare.

4. The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used.

5. Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

### LUGGAGE.

For luggage exceeding 100 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

### FARES MAY BE WITHHELD.

Any party shall be entitled to withhold payment of the fare—

1. When the name and number are not painted outside, or when there is no plate inside, in terms of Article Third of these bye-laws.
2. When the reference-ticket is not given.
3. When the bye-laws, table of fares, and driver's licence are not shown on demand.
4. When an overcharge is made.
5. When the driver fails or refuses to complete an engagement.

### REDRESS.

Parties aggrieved will obtain redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence, except in cases when parties are prevented making such application by their absence from town.

*Note.*—Attention is specially directed to the 237th Section of the Police Act, which imposes a penalty not exceeding 10s. on any person who refuses to pay the regular fare on demand.

TABLE OF FARES FROM THE FOLLOWING STANCES.

NOTE.—To prevent disputes or loss of property, every party on entering a carriage should ask for a reference ticket, which the driver is bound to give. The reference ticket shall be in the following terms, viz. :—

*Reference in case of Incivility, Loss, or Overcharge.*

*Owner,*

*No.*

Parties aggrieved in any of these matters should immediately report the same to the Procurator-Fiscal at the City Chambers.

THIS COMPANY was established at Edinburgh in 1825. The Acts of Parliament 2d and 3d Gul. IV., cap. 81, and 8th and 9th Vict., cap. 75, also the 22d and 23d Vict., cap. 27, have been granted for the purpose of its constitution and for the regulation of its affairs. It has been conducted with much success, which may be attributed not only to its extensive and influential connections, but more particularly to the liberality of its dealings, and to the constant attention paid by the Directors to the adoption of improvements and facilities in connection with the contract of Life Assurance. The AMOUNT OF NEW ASSURANCES effected during the Quinquennial Period from 1860 to 1865 was upwards of THREE MILLIONS EIGHT HUNDRED THOUSAND POUNDS Sterling, and the TOTAL SUMS ASSURED now amount to upwards of SIXTEEN MILLIONS Sterling. The COMPANY'S INCOME, which is rapidly increasing, is upwards of SIX HUNDRED AND NINETY THOUSAND POUNDS Sterling per Annum. The ACCUMULATED FUND, which is upwards of THREE MILLIONS EIGHT HUNDRED THOUSAND POUNDS Sterling, is invested in Government Securities; Loans on the Security of Land, by Bond and Mortgage; Landed Property; Advances to the Company's Policyholders, and other undoubted Securities. These Investments were specially investigated, on occasion of the Division of Profits in 1865, by a Committee of Professional Gentlemen appointed for the purpose, whose report, which was entirely favourable, will be found in the Company's Prospectus. The COMPANY'S PROFITS have been divided on Seven occasions—1835, 1840, 1845, 1850, 1855, 1860, and 1865. The next Division will take place in 1870, and at intervals of Five Years thereafter.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

Foreign Residence.—The Assured are allowed to travel or reside in any part of Europe in time of peace without licence; and, on application, licence will be given, without payment of Extra Premium, to reside in Canada, the Northern States of North America, Australia (to the southward of 30° south latitude), New Zealand, and the Cape Colony. A small extra premium is charged for the risk of the voyage to the three last-mentioned places.

No extra Charge is made for Military Service of any description within the United Kingdom.

Indisputable Policies.—Policies of Five Years' standing may be declared Indisputable on any

ground whatever, except non-payment of the Premiums, on satisfactory evidence that the Assured have no prospect of going beyond the limits of Europe.

Surrender of Policies.—A liberal allowance is given on the Surrender of Policies on which three years' Premiums have been paid.

Loans to Policyholders are granted to the extent of the Surrender Value of their Policies, at a reasonable rate of Interest, free of all expense and without any other security than the deposit of the Policies. These Loans may be repaid at any time.

## DISTRIBUTION OF PROFITS.

Five-sixths of the Profit arising from the whole Life Business are divided every Five Years among participating Policyholders, on equitable principles—viz. in the proportion each party has contributed to the Fund.

## BONUSES

have been declared in 1841, 1846, 1851, 1856, 1861, and 1866. At the last Investigation in 1866,

A REVERSIONARY BONUS was allocated upon those Policies entitled to participate, in proportion to the Premiums paid during the five preceding years, varying from about one to upwards of one and a half per cent. per annum on the sums assured, according to age and duration of the Policy.

BONUS declared every Five Years, and may be applied, at the option of the Assured, in any of the following ways:—

I. IT MAY BE ADDED TO THE SUM ASSURED; II. APPLIED IN REDUCTION OF FUTURE PREMIUMS; or, III. SURRENDERED FOR ITS PRESENT VALUE IN CASH.

NO EXTRA PREMIUM charged for residence in Australia, New Zealand, Canada, or the United States of America north of the 38th degree of north latitude.

POLICIES may, under certain conditions and exceptions, after five years' endurance, be made indisputable, and the Assured permitted to travel or reside beyond the limits of Europe without payment of Extra Premium.

Prospectuses and all other information may be had on application at the Head Office, or to any of the Company's Agents.

*With Agencies in every Town throughout the United Kingdom.*

IN THIS INSTITUTION (founded 30 years ago) BONUSES from PROFITS are applicable on a Special System for the Policyholder's *Benefit and Enjoyment during his Own Lifetime.*

### IN CLASS A.—

The BONUSES are applied in CASH at an early stage of the Policy, so as to effect a

**LARGE REDUCTION OF PRESENT OUTLAY.**

### IN CLASS B.—

PROFITS are allocated in the form of BONUS ADDITIONS of unusually large amount to the SUM ASSURED in the event of average length of life; with the option of an EQUIVALENT in a CASH PAYMENT or

**LIFE ANNUITY TO THE POLICYHOLDER HIMSELF,**  
FORMING AN IMPORTANT  
**PROVISION FOR OLD AGE.**

THUS, instead of being an EXPENSE and a BURDEN to the Policyholder, the Assurance becomes a source of considerable INCOME to HIMSELF after the average period of life, while, at the same time, the Sum Assured remains untouched for his Representatives, or for other purposes.

This Arrangement is peculiar to the Life Association of Scotland.

The REGULATIONS are particularly favourable as regards  
*Indisputability, Non-forfeiture, Occupation, and Residence.*

## DISTRIBUTION OF PROFITS.

NINE-TENTHS or NINETY PER CENT. of the Profits are divided every Seven Years among the Participating Policyholders. Policies of Five Years' duration becoming Claims under one Division of Profits and another, are entitled to an Intermediate Bonus.

The Company's system of Division of Profits, while it does not exclude younger Policyholders from their fair share in the allocation of Bonus, reserves a much larger proportion for those whose Policies have existed for a long period, and who have themselves attained an advanced age.

Five Periodical Investigations have already been made, and the results of the equitable principle of Distribution are brought out in the very large Bonuses which attach to cases fulfilling these conditions, and are fully illustrated by the undernoted examples.

## LIFE DEPARTMENT.

### SPECIAL BONUS NOTICE.

In the Participation Branch, the Assured, while fully protected by the Subscribed and Accumulated Capital, and exempted from all liability of partnership, actually receive larger Bonuses than if they formed a Mutual Society and allocated amongst themselves their entire profit without reserving any Guarantee Fund. *This arises from five-sixths of the profits of the Non-Participation Branch being divided amongst the Profit Policy-holders, and a considerable share of the Expenses of Management being borne by the Fire Department.*

No part of Future Profit has been anticipated, and notwithstanding that the valuations have all along been made on the strictest principles of actuarial science, increased Bonuses have been declared at each successive Investigation, forming a marked difference from the experience of other Offices.

## FIRE DEPARTMENT.

Almost every description of Property insured at Rates as low as is consistent with safety. Claims adjusted with liberality and settled with promptitude.

**T**HE Directors invite attention to the advantages which are offered by this Company to the public, and which combine PERFECT SECURITY, MODERATE PREMIUMS, and LIBERAL PARTICIPATION IN PROFITS.

The Conditions in regard to FOREIGN RESIDENCE and TRAVEL are highly favourable to the Assured, and Policies are declared INDISPUTABLE on any ground whatever at the end of Five Years from their date, provided satisfactory evidence of age has been produced.

The Amount of New Business transacted by the Company during the past year (to 20th January 1868) has been the largest in the history of the Company, with one exception. Nine Hundred and Thirty-four Policies have been issued, assuring upwards of

FOUR HUNDRED AND THIRTY-TWO THOUSAND POUNDS.

The 20th VALUATION and DIVISION of PROFITS, being the first after an interval of Five Years, will be made on the

20th JANUARY 1869.

During the four years that have elapsed since last allocation, the Business has been large and profitable; the Assurances of the period far exceeding in number, and nearly equalling in amount, the Assurances of the seven previous years, while the Mortality experienced and the rate of interest obtained have both been in favour of the Company.

The Special attention of Parties intending to assure is requested to the

**HALF PREMIUM SYSTEM, WITHOUT DEBT OR INTEREST,**

which offers peculiar advantages to persons of moderate but progressive incomes, who may find it inconvenient at first to pay the full Premium.

POLICIES granted free of any charge for Stamp Duty or Medical Fees.

THIS OFFICE being purely MUTUAL, the WHOLE PROFITS BELONG TO THE ASSURED. The Society has endeavoured to place its Rates and Rules on the most equitable and liberal footing; and its affairs are administered by Directors whose interests are identical with those of the Assured.

IMPORTANT RESOLUTIONS have been adopted, relieving the Policies of many usual restrictions; and the Assured are now entitled, after Five Years' continuous residence in this country, to travel and reside in any part of the world without payment of extra premium.

The additional Rates charged by the Society for Terminating Premiums are very moderate, and those of some other Offices are from fifty to upwards of one hundred per cent. more.

PARTICULAR ATTENTION is invited to the Special Pamphlet, explaining the system of MINIMUM PREMIUMS introduced by the Society, under which it is believed that Assurances can be effected *more economically* than in other Offices; and the combination of this system with the moderate additional Rates charged for Terminating Premiums affords peculiar facilities for those desirous of being relieved of payment of Premiums as they advance in life.

The following is an extract from the Table of Annual Rates:—

### Minimum Premiums for Assurance of £100 at Death.

## REDUCED RATES FOR THE EAST AND WEST INDIES, AND CHINA.

THE Directors have adopted a new Scale of Rates for the East and West Indies, and China, considerably lower than those formerly charged by this, or, they believe, any other Company; but differing from the old system, in respect that no reduction takes place on the assured returning to Europe, or proceeding to any other part of the world not chargeable with an extra premium.

According to this method, the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed rate, of throwing the Extra over the whole currency of the Assurance.

ANNUITIES ARE SOLD ON VERY FAVOURABLE TERMS.

*Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of Years only, or by a Single Payment. No Entry Money or Stamp Duty charged.*

## FIRE DEPARTMENT.

## LIFE DEPARTMENT.

THE Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance. The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connection with it becoming Claims after payment of the Premiums falling due in the current financial year, are increased to £1408, 11s. 2d.; those for larger or smaller sums being proportionately augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when Participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The Business in this department has been greatly extended within the last few years. Prospectuses, with every information, may be had on application.

---

## FIRE DEPARTMENT.

All Losses, so soon as satisfactorily ascertained, are liberally and promptly settled.

Losses arising from Explosion of Gas are paid by this Company.

Common, Hazardous, and Doubly Hazardous Risks, are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special Insurances at increased rates.

**B**Y THE PECULIARLY EQUITABLE MANNER OF DIVIDING THE PROFITS, the Policies issued by this Association become payable during the lifetime of the person assured without extra Premium. This is accomplished by appropriating to the extinction of the last payments of Premiums, those profits which are generally applied by way of Bonus.

INDISPUTABLE WHOLE WORLD ASSURANCES, permitting unrestricted Whole World travel and residence, are granted on one payment of 10s. per cent. on the sum assured, provided the assured life shall not be under twenty-five years of age, and shall not be in the Army or Naval Employment, and shall satisfy the Directors that he has no present intention of going beyond the prescribed limits.

The following is a Table of the New Business of the Association for the past twelve years, divided into triennial periods:—

THE COMPANY was established in the year 1837, for the transaction of all varieties of Life and Fire Assurance Business. Its subscribed Capital is £1,000,000 sterling, held in Ten Thousand Shares by a numerous and wealthy Proprietary widely scattered throughout England and Scotland.

THE COMPANY has obtained two special Acts of Parliament, conferring on it various powers and privileges; and is one of those approved of by the Postmaster-General for the Assurance of the Lives of the Post-Office Officials.

THE RAPID PROGRESS of the Company is seen in the fact that the New Life Business of the quinquennial period which closed on the 31st of December 1862, was 148 per cent. more than that of the preceding similar term; while the Fire Premiums were 185 per cent. more.

THE BUSINESS of the Company, both Life and Fire, is largely increasing year by year.

During the years 1863 to 1867, which constituted the last Quinquennial Period, the *New Life* Business done was £1,016,700, yielding in *New Premiums* £24,453, being a large increase on the previous business done.

ALL CLAIMS are settled with liberality and the utmost promptitude, in order that the full benefit of the assistance and relief which Assurance is designed to afford should be secured to Assurers or their representatives.

THE LARGE CAPITAL of the Company, the whole of which is available to meet Claims, and the Reserve Fund in hand, are guarantees of perfect security to Policyholders, who are in no way involved in the mutual liabilities of Partnership.

A CASH BONUS of 22 PER CENT., equivalent to a REVERSIONARY BONUS of from 30 to 60 PER CENT., according to the age of the Assured, was declared at the Division of Profits in 1863, and the Bonus to be declared in 1868 will, it is expected, be larger in amount.

THE PREMIUMS charged by this Company will contrast favourably with those of other Offices.

LOANS from £50 to £1000 are granted by the Company on Personal Security, and the assignation of a Life Policy to be effected with the Company.

POLICIES issued on the CREDIT SYSTEM, in the case of Assurances for the whole of Life for £250 and upwards. Half the Premium for five years, or one-third for the Whole of Life, may remain as a Debt on the Policy.

THE distinguishing feature of this Company is the equitable manner of dividing the Profits, whereby Policies become payable during the lifetime of the Assured at the ordinary whole life rate of Premium, which system is peculiarly favourable to young Assurers.

The POLICIES issued by this Company are more valuable than ordinary Policies, inasmuch as they are relieved of all unnecessary restrictions, and after three years are (without application) wholly indefeasible and indisputable, and extraordinary facilities are granted to the Assured to keep their Policies in force.

## FIRE DEPARTMENT.

THE Directors are ready to receive proposals for insuring Property generally, in Great Britain and Ireland, at equitable rates, and according to the risks to be protected.

## LIFE DEPARTMENT.

FOUR-FIFTHS, OR EIGHTY PER CENT., of the Office Profits are appropriated to the benefit of the Assured every five years, thus giving them nearly all the advantages of a Mutual Company, but without any risk or liability whatever, which in Mutual Offices is borne exclusively by the Assured, but in the UNION by a large and influential Proprietary.

The UNION ASSURANCE COMPANY will bear a most favourable comparison with other Offices, it having had an experience of upwards of a century and a half; and the Directors with confidence call attention to the following figures, illustrating as they do the success which has attended the Society since its establishment, and the unbounded Security which it offers to all the Assured:—

|                                                                                                                              |          |
|------------------------------------------------------------------------------------------------------------------------------|----------|
| The Capital of the Society actually paid up, and invested with its accumulations in Government and other Securities, exceeds | £560,000 |
| The accumulated Life Premiums, also invested as above,                                                                       | 630,000  |
| The Annual Income of the Life Department alone amounts to                                                                    | £117,000 |

NORWICH UNION FIRE INSURANCE SOCIETY.

ESTABLISHED 1821. CAPITAL, £550,000.

Secretary—SIR S. BIGNOLD.

CHIEF OFFICE FOR SCOTLAND—31 Princes Street, Edinburgh.

TWO-FIFTHS OF THE PROFITS are periodically Distributed among Parties Insuring in the Society. A BONUS of NEARLY FIFTY PER CENT. upon Current Premiums was paid to the Policyholders on the last occasion.

THE RATES OF PREMIUM being in no case higher than those charged by the other principal Companies, the advantage secured by the Insured in this Office is obvious.

FIRE INSURANCES were effected by the Norwich Union during the last year to the Amount of

EIGHTY MILLIONS;

And the DUTY PAID TO GOVERNMENT, at the reduced rate, for the same period, exceeded

FORTY-FIVE THOUSAND POUNDS;

While the Sum Insured on FARMING STOCK was upwards of

TEN MILLIONS AND A HALF.

Being by far the largest amount of business transacted on this class of Risks by any existing Office.

Cashiers—ROYAL BANK OF SCOTLAND.

Surveyor—ROLLAND S. HAMILTON.

Secretaries for Scotland—JARDINE, STODART, AND FRASERS, W.S.

NORWICH UNION LIFE INSURANCE SOCIETY.

A MUTUAL ASSOCIATION. INSTITUTED 1808.

Secretary—SIR S. BIGNOLD.

CHIEF OFFICE FOR SCOTLAND—31 Princes Street, Edinburgh.

The Capital of this Society is upwards of

Two Millions Three Hundred Thousand Pounds,

which belongs to its Members, and has been created by the steady accumulation of the Premiums.

The result of the successful operations of the Society, during the Fifty-nine years of its existence, is best exhibited by the following:

Amount of Assurances accepted, and Bonuses declared thereon, exceed	£12,800,000
Amount paid to the Representatives of 8334 deceased Members,	7,107,263
Amount assigned by way of Bonus,	1,620,000
Number of Policies Issued,	37,700

All Claims on the Society are most liberally and promptly met.

The Rates of Premium are lower than those of some Offices by nearly 10 per cent.—a benefit in itself equivalent to an Annual Bonus; while the large amount of profits divided amongst the Policyholders reduces still further the outlay required to effect an Insurance.

Cashiers—ROYAL BANK OF SCOTLAND.

INVESTMENT BRANCH.

THE STANDARD INVESTMENT SOCIETY allows at present **THREE** per Cent. Interest on Temporary DEPOSITS, repayable on short notice.

The Society also issues DEBENTURE BONDS or NOTES for sums of Fifty Pounds and upwards. The present rate of interest on these Notes ranges from $3\frac{1}{2}$ to $4\frac{1}{2}$ per cent. according to the time for which the money is lodged. Interest payable half-yearly.

THE SOCIETY'S WHOLE FUNDS are INVESTED in HERITABLE SECURITIES ONLY, nine-tenths of the Loans on which Advances have been made being secured on property situated in the city of Edinburgh; thus affording to Depositors all the advantages and security of bonds over heritable property, without any of the attendant expenses, risk, or trouble, and with the additional advantage of withdrawing money on short notice, as required.

LOAN BRANCH.

SUMS, varying in amount from £100 to £10,000, are advanced by the Society for any period of years not exceeding twenty-five, the sum borrowed being liquidated by an Annual Rent-Charge, which includes both principal and interest.

DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on DEPOSIT or DEBENTURE BOND, at Rates varying from 3 to 4½ per cent., according to the market value of money at the time. If preferred, a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for three, five, or seven years.

SAFETY OF DEPOSITS AND DEBENTURES.

The ASSOCIATION lends its Funds on HERITABLE PROPERTY *only*, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the fact that the Loans are all secured on Heritable Property *only*, Depositors have the *further guarantee of the Company's large subscribed Capital.*

LOANS.

Loans are granted on Security of Land, Houses, and every description of Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, *part only* may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

COMPANY'S OFFICE:

55 FREDERICK STREET, EDINBURGH.

Property Investment Company of Scotland.

THE OPERATIONS OF THIS COMPANY EMBRACE THREE OBJECTS:—

1. Receiving stated Contributions from Unadvanced Shareholders, which are accumulated at Compound Interest.
2. Making Advances to Shareholders to enable them to Purchase, Build, or Redeem Burdens on Dwelling Houses, Offices, Shops, etc.
3. Receiving Deposits from the General Public at a liberal rate of Interest.

1. Accumulation of Savings.

A Share in the Company is constituted by a Fortnightly payment of One Shilling; and a Fortnightly payment of Four Shillings, *i.e.* for Four Shares, accumulating at 5 per cent. compound interest (the ordinary rate of profit), amounts in fourteen years to £100, of which £27, 4s. is interest.

No Fines are imposed for arrears in contribution, and Unadvanced Shares can at any time be withdrawn.

2. Advances for Property.

Advances are made to Shareholders for Purchasing, Building, or Redeeming Debts on Houses, Shops, or Offices. An annual payment of £10, 2s. for 14 years extinguishes both principal and interest for every £100 advanced. Advances can at any time be redeemed.

A small Sum annually, in addition to rent, soon enables a Shareholder to become his own landlord.

3. Deposits.

A liberal Interest is allowed on Deposits. Depositors incur no liability as Shareholders, and their claims for Principal and Interest are preferable debts on the Company. Deposits are repayable as arranged.

Security.

The Company cannot, by Act of Parliament, invest its funds in other than Heritable Securities, and the extent of Advances in every instance is limited to the amount authorized by the Surveyor, which is always short of the market value of the property; and as the Advances immediately become repayable by instalments, the Company incur less risk than ordinary lenders on heritable bonds, to whom interest only is paid without reduction of the principal sum.

The constitution of the Society embraces every question that can affect the interests of the Occupants of Land, and provides a ready and available means of bringing the Practical Agriculturists of Scotland together, for deliberation and united action. The objects of the Institution having become generally known, about five hundred gentlemen sought and were received into its fellowship during its first year. The Membership is now close on eight hundred; but the greater the fellowship, the greater the influence of the Chamber in promoting and attaining its fundamental objects, and hence the Office-Bearers invite all interested in Practical Agriculture to become Members.

OBJECTS OF INSTITUTION.

To establish a Show of Fat Stock, Poultry, Seeds, Roots, Agricultural Implements, etc., to be held in Edinburgh yearly in December. The Society's first Show in December 1867 drew to the metropolis many of the best specimens of Live Stock, etc., from the Scottish Counties, and some fine specimens from England and Ireland. The result was the establishment of a great National Show, where the meat-producing qualities of the various breeds of Cattle, Sheep, Pigs, and Poultry, as well as of Agricultural Produce, was fairly judged, and suitable prizes awarded. The stock shown came under the eye of purchasers in Edinburgh and Glasgow, and the large buyers from England. By making the show earlier in December than last year (which has been resolved on), the best specimens can be forwarded by their owners to the large shows of London, Birmingham, and Liverpool, and in this way the great importance of the Society's operations to the feeders and breeders of stock in Scotland, and to the community of Edinburgh, is manifest.

SPECIAL ANNOUNCEMENT.

I BEG most respectfully to request your attention to the Opening of those Spacious and Commodious Premises, No. 101 PRINCES STREET, EDINBURGH, as the NORTH BRITISH MAGASIN, which is established to supply AIRPROOF, WATERPROOF, and all INDIA RUBBER GOODS for Surgical, Scientific, and Domestic Purposes. VULCANITE GOODS, useful and ornamental, and every article Manufactured by the

NORTH BRITISH RUBBER AND SCOTTISH VULCANITE COMPANIES:

Also Boots, Shoes, Slippers, etc. etc. (Ordinary Leather), of Edinburgh, London, and Paris Make, for LADIES, GENTLEMEN, YOUTHS, and CHILDREN.

THE STOCK OF

THE NORTH BRITISH MAGASIN, No. 101,

which is very large and comprehensive, will enable Purchasers at once to suit themselves as to Taste and Fit with Articles in the several Departments, free from the numerous and recognised drawbacks attendant on the to-order system. It has been most carefully selected, and manufactured expressly for a *First-Class Trade*; is warranted, in Quality of Material and Work, most novel in Style and Fashion, and MARKED in PLAIN FIGURES at lowest possible Ready-Money Prices. These are not quoted, as they cannot possibly give any idea of VALUE apart from comparison of the Goods themselves: and moreover, my intention is, that the NORTH BRITISH MAGASIN, No. 101, shall become widely known, more by the Character of Goods, combined with REAL CHEAPNESS, than by merely low quotations. I shall give the utmost possible attention to the wishes of my Patrons, and therefore venture to solicit your support and confidence. My long and intimate knowledge of the Boot and Shoe Trade, together with the high character which the MANUFACTURES of the NORTH BRITISH RUBBER AND SCOTTISH VULCANITE COMPANIES have so justly acquired, and continue to maintain throughout the WORLD, justify me in offering the BEST VALUE on the BEST TERMS, in these respective departments, that can be found in any City in the Kingdom. A List of various Articles in the several departments shall be gladly shown to persons calling at the NORTH BRITISH MAGASIN, No. 101, whether with the immediate intention of purchasing or not. And as the purposes to which India Rubber is now applicable are daily being multiplied, every such new adaptation will be shown as soon as produced. A call is solicited by yours respectfully,

JOHN ANDERSON.

The North British Magasin.

The North British Magasin.

The large Trade that I have done since opening, in the India Rubber and Vulcanite Departments, seems to have given rise to an impression that the Boots and Shoes are also India Rubber or Gutta Percha. This is not so. While attending to the Overshoe Trade—'NORTH BRITISH RUBBER COMPANY'S Make'—I beg to say, for PUBLIC INFORMATION, that the Boot and Shoe Department is wholly of LEATHER, the usual Sterling Qualities I have furnished for a PERIOD of EIGHTEEN YEARS.

LUKE DUFFY,

242 CANONGATE,

BEGS respectfully to intimate to his Customers and the Public, that he has now returned to his former but Greatly Improved Premises, on the site of the late Explosion and Fire in the Canongate, and, with the New Stock of Goods which he was enabled to get up during his absence from his regular place of business, he hopes to be able to retain the good-will of his Wholesale Customers and also to receive a share of Public Patronage, if moderate prices can be any inducement. L. D., besides being able to execute orders in any description of Basket-work, is the only Indian Chair Maker at present in Scotland. They were formerly made in this town by a native of India, very secretly, and sold at a high price; but L. D. has made improvements in both appearance and durability, and reduced the prices considerably. He therefore feels confident that this article, which for beauty of appearance, strength, and comfort (price considered), has no equal, will receive the general approbation of the Public.

THE SINGER MANUFACTURING CO.,

PROPRIETORS AND MANUFACTURERS OF THE WORLD-RENOWNED

'SINGER' SEWING AND BUTTON-HOLE MACHINES,

FOR FAMILY USE AND MANUFACTURING PURPOSES.

BRANCHES AND AGENCIES THROUGHOUT THE CIVILISED WORLD.

PRINCIPAL OFFICE:—458 BROADWAY, NEW YORK.

The following extract from the New York *Financial Chronicle* contains the official returns by each Company of actual business, and affords most convincing proof of the paramount value and utility of the 'SINGER' Machines:—

SEWING MACHINES.—The following interesting statistics we gather from the quarterly returns made, we believe, under oath, by the several manufacturers of sewing machines throughout the United States. The figures which we present, and which we have been at some pains to collect, show at a glance the wonderful growth and great importance of this branch of American manufactures. It will be observed that one Company alone has produced and sold within the year over *forty-three thousand machines*. It is somewhat remarkable that, during the recent stagnation in trade, this business has been but slightly, if at all affected. But below are the figures in detail:—

SEWING MACHINES MANUFACTURED AND SOLD, AS PER QUARTERLY RETURNS, FOR THE YEAR ENDING JUNE 10, 1867.

	DOUBLE-THREAD MACHINES.				Totals.
	First Quarter.	Second Quarter.	Third Quarter.	Fourth Quarter.	
The Singer Manufacturing Co.,	9,514	14,164	8,996	10,379	43,053
The Wheeler & Wilson Manufacturing Co.,	8,897	11,852	8,739	8,567	38,055
The Grover & Baker Sewing Machine Co.,	7,491	8,796	7,091	9,621	32,999
The Howe Machine Co.,	1,995	2,820	2,726	3,512	11,053
The Florence Sewing Machine Co.,	2,813	3,126	2,039	2,556	10,534
The Weed Sewing Machine Co.,	377	854	899	1,508	3,638
The Elliptic Sewing Machine Co.,	504	1,727	331	623	3,185
The Aetna Sewing Machine Co.,	806	791	718	643	2,958
The Finkle & Lyon Sewing Machine Co.,	443	660	771	614	2,488
The Empire Sewing Machine Co.,	512	579	476	554	2,121
The Leavitt Sewing Machine Co.,	285	270	198	298	1,051
Total Double-Thread Machines,					151,135

The 'SINGER' Family Machines are fitted with a Patent Tuck Marker, WHICH CREASES EACH SUCCEEDING TUCK WHILE SEWING, and also other novel accessories not to be had with Machines of any other manufacture.

PUFFERY!

PUFFERY!

A DIALOGUE.

These glaring announcements which daily I see
 In the Boot and Shoe trade are a puzzle to me—
 CLEARING OUT, GREAT REDUCTIONS, and BARGAINS they
 show,

Yet though giving away, still the richer they grow :
 The good sense of people they fain would ignore—
 Just Puffery, my girl!—just Puff!—nothing more.

And these goods from BANKRUPTS and FIRES have a run,
 That looks somewhat suspicious—they never get done.
 SELLING OFF! SELLING OFF! is a cry never ceases.
 Yet the faster they sell them their Stock still increases.
 All merchants of honour such tricks should deplore—
 Just Puffery, my girl!—just Puff!—nothing more.

The most trifling repairs of a shop never fail
 To give a pretext for a sham of a sale,
 And COPPER-TIPPED TOES now must surely prevail,
 Since the puff on the TWIG'S blown long on the gale ;
 Such silly expedients are now a great bore—
 Just Puffery, my girl!—'tis a Puff!—nothing more.

This PUFFING and BLOWING so specious has grown,
 Makes many men pause ere they talk of their own,
 Though there's many in trade I've oft heard you say,
 Who's goods far eclipse this pretentious display,
 Who's profits and prices you've told me before,
 Are as low as can be,—can we ask any more?

THE BEST TABLE, PICKLING, AND CULINARY VINEGARS.

CAMPBELL'S
INDIAN SPICED MALT VINEGAR,
 WAVERLEY MALT VINEGAR WORKS, EDINBURGH,

Answers all the purposes for which Common Vinegar is used. With HASH, COLD MEAT, and with FISH, it is much esteemed as a Table Relish, and is preferred to the more expensive Sauces in use, on account of its lightness, delicacy of flavour, and *proved efficiency* as an aid to Digestion. It forms a piquant flavouring for Soups, Gravies, Made Dishes, Salads, etc., and requires no preparation or additional spices for pickling.

THE FOLLOWING ARE QUOTATIONS FROM OPINIONS OF THE PRESS.

'*Blackwood's Magazine* gives its readers a choice between Common Vinegar and Tarragon; and Lady Harriet (St. Clair, in her 'Dainty Dishes') has several descriptions of vinegar, the preparation of which alone would be found a serious obstacle. All these preparations have been rendered unnecessary by the vinegar invented and prepared by Mr. Campbell—'CAMPBELL'S INDIAN SPICED VINEGAR'—which is at once as aromatic as Tarragon, and not merely as economical, but as handy to use as the common vinegar, and more generally applicable than either—the *poor man's sauce* and the *rich man's luxury*.'—*Daily Review*, October 8, 1866.

'Its employment for pickling obviates the necessity for using spices in the ordinary manner, while the VERY ESSENCE OF THE SPICES WHICH IT CONTAINS finds its way MORE EVENLY through the contents of the pickle jar. Another advantage it possesses is, THAT IT CAN BE USED FOR THE PREPARATION OF ANY KIND OF PICKLE IN A cold state. It is also not merely convenient, but it is, in our opinion, a positive luxury, as a promoter of appetite and digestion when used as a sauce with hash, cold meat, or with fish. It is, in fact, alike suitable FOR ALL THE SEPARATE PURPOSES IN WHICH COMMON VINEGAR AND SAUCE ARE EMPLOYED. It will assuredly become a leading article.'—*The Grocer*, 4th Jan. 1868.'

Ale! Ale!

Bitter and Pale!
 If used, not abused,
 Keeps people hale:
 Workmen confined
 In foul atmosphere,
 Medicine will find
 In good Bitter Beer.

The dull it'll cheer,
 The grave it makes gay;
 And never fear
 What Tectot'llers say:
 Good for the strong,
 And strength for the weak;
 Swilled how'er long,
 It paints not the beak.

Beer! Beer!
 Sparkling and clear!
 Buy it and try it,
 The price isn't dear.
 One thing be sure
 The people shall know:
 Who sells it pure—

ROYAL

AGES

DIAGRAM.

NUMBERS OUT OF WHICH ONE PERSON WILL DIE IN EACH YEAR.

The favourable Mortality experienced by the ROYAL is exhibited by the Diagram, which shows the NUMBER out of which ONE has Died at each Age up to the end of the year 1864, compared with the NUMBER which had been EXPECTED by the Tables, and further contrasted with its Experience up to the end of 1859, and with the "Combined experience of Seventeen Offices."

"I CONFINE MYSELF to the experience of the seventeen Offices published in 1843. A few words will suffice to show the particular and general adaptation of this figure to its intended purpose.

To exhibit the first of these qualities, let it be supposed that the enquirer wishes to compare the Mortality experienced by the respective Offices named, on Lives aged 40 years.

By drawing his finger carefully along the horizontal line 40, to the points where the several curves cross the said line, and following with his eye the vertical line at those respective points to the top or bottom of the page, he will learn that

The "ROYAL" expected that 1 out of about 80 would die;
 But by adjusted experience to 1865, only 1 out of about 109 would die;
 And by ditto to 1859 1 " " 104 would die;
 Whilst by the combined experience . . 1 " " 97 would die.

Little will be required to show the general adaptation of the Diagram to exhibit the success of the ROYAL in its Mortality, and the BENEFIT thus obtained by the ASSURER WITH PARTICIPATION OF PROFITS in that Office. I refer here to the fact that every point on the left of the $\odot\odot\odot$ curve, which it must be observed represents the Mortality expected by our Tables, shows more or less gain according as it is removed from or approaches thereto. Now, as the curve $\diamond\diamond\diamond$ and the one painted red, respectively depicting the adjusted Mortality of the ROYAL up to 1859, and up to 1864, are entirely on the left of the $\odot\odot\odot$ curve, and some portions of them at a very marked distance, it is at once evident that everything in the past experience of the Company, as respects this important subject, has been more favourable than could have been reasonably hoped for."

1866 exceeds 1856 by no less than £730,030.

Amount added to the Life Funds in the year 1866 alone, after payment of all Losses and Expenses, £124,165.

The increase for the year 1867 alone, beyond the amount at the close of the year 1866, will also show, when the accounts are completed, a further amount of over £120,000, making the total Life Funds nearly £1,000,000, in addition to the Fire Reserve fund and Capital. The accumulated funds of the Company being thus nearly

ONE MILLION AND A HALF STERLING.

The Actuary in his late Valuation Report stated his opinion that no less than £100,000 would be added annually to the Life and Annuity Funds, for the next ten years. This anticipation has so far been more than realized, as the Funds in hand at the end of 1867 will show an

INCREASE OF OVER £110,000 PER ANNUM.

SCOTTISH WIDOWS' FUND LIFE ASSURANCE SOCIETY.

(FOUNDED A.D. 1815.)

THE LEADING FEATURE

of this Old Established and well-tried Society is its **Mutual Principle**, which Secures to the Policyholders the Division of the whole Profits among themselves, without any deduction for Dividends to Shareholders, as in Life Assurance Companies of the Proprietary Class. This single circumstance retains for **Distribution among the Policyholders Large Sums of Money**, which would otherwise be lost to them.

THE LARGEST DIVISION OF PROFITS

ever made by the Society was that declared at the Annual Meeting of Members held on 24th May last. The Profit realized during the Seven Years ending 31st December 1866 amounted to no less than **£834,183, 10s. 1d.**; which sum was divided among the Policyholders in the manner fully explained in the Report read at the Meeting,—copies of which may be had, *free of charge*, on application.

INCREASE OF BUSINESS.

During last Septennial Bonus Period, 1860 to 1866, the Society issued Policies for New Assurances, amounting to the large sum of **£5,461,884**. Comparing the New Assurances effected in 1860, the first year of that period, with the New Assurances effected in 1867, the first year of the current Period, 1867 to 1873, the following is the result:—

New Assurances 1860,	£380,305
New Assurances 1867.	811,411
	<hr/>
Difference in favour of 1867,	£431,106
Being an increase of £113 per cent.	

Security enjoyed by the Members, and their future Prospects.

The Balance Sheet and Details of the Valuation of the whole Liabilities of the Society published in last Report, fully and clearly make known to all Actuaries and skilled persons the Entire Financial Condition of the SCOTTISH WIDOWS' FUND; while to the general public they afford the means of ascertaining for themselves the character of the security and prospects of future advantage which such a financial condition presents. *By no other means than the publication of such information as is contained in the Balance Sheet and Valuations referred to, can the real position of a Life Assurance Institution be made known.*

RESOURCES OF THE SOCIETY.

Annual Revenue,	£600,000
Invested Funds,	4,600,000

Persons effecting Assurances now

will do so at a time when the Society has acquired a select Business of the highest class, the growth of upwards of Fifty Years of uninterrupted prosperity, and has reached an *annually*-increasing rate of progress which has never been exceeded in the history of Life Assurance in this country. Moreover, although the Society never took over the Funds of any other Office by amalgamation, its *Life Assurance Fund* is larger than that of any similar Institution. Its Financial Power secures for the Society the best and most remunerative Investments which the country affords. The natural effect of these, and the other circumstances above referred to, must be the realization of a *rate of Profit* unattainable by Offices less favourably circumstanced; and when it is kept in view that the **WHOLE Profit** actually realized is divided among the Policyholders alone, the conclusion necessarily follows that *Life Assurance could not be conducted under more favourable conditions for Policyholders than it is in the Scottish Widows' Fund.*

THE ADVANTAGES OFFERED, AS COMPARED WITH OTHER OFFICES, ARE—

A greatly Larger Original Assurance for the same Premium, with the prospect, to good lives (for whom exclusively the whole Profits are reserved), of eventually receiving very considerable additions.

Thus, a Policy for £1200 or £1250 can at most ages be had, from the first, for the premium charged elsewhere for £1000 only. Policies for £1000 which have shared at three Septennial Investigations have already been increased to £1400, £1600, and even to £1800.

THIS SOCIETY has taken a leading part in the relaxation of restrictions on Policies, and in the REMOVAL OF GROUNDS OF CHALLENGE. So long ago as 1849 it was declared that error in the original statements should not involve forfeiture, unless proved to have been *fraudulent as well as untrue*; and, at same time, the forfeiture which attached to death by capital punishment, by duelling, and even by suicide (unless occurring within six months), was removed.

FOREIGN RESIDENCE AND TRAVEL.—Members (not seafaring men) are now at liberty, free of charge, to travel or reside in any part of the world (Asia excepted) north of 35° N. and south of 30° S. The Directors are also empowered, under certain conditions, to grant Certificates of Exemption from all restrictions.

Examples of Annual Premium for Assurance of £100 at Death (with Profits).

AGE,	25	30	35	40	45	50
Payable during life, .	£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7
Limited to 21 years, .	£2 12 6	£2 15 4	£3 0 2	£3 7 5	£3 17 6	£4 12 1

Thus a person of 30 may secure £1000 at death, with Profits, for a yearly premium of £20, 15s., which in the other Scottish Mutual Offices would assure £800 only.

Or, if unwilling to burden himself with payments during the whole of his life, he may secure a policy for £1000, with prospect of additions from the Profits, for a Premium of £27, 13s. 4d., *limited to twenty-one payments*, being nearly the same as most Offices require during the whole term of life.

☞ *Tables of Premiums, to cease after 7, 14, or other number of years, may be had.*

Above 17,000 Policies issued. Subsisting Assurances upwards of Six Millions. Annual Revenue, £230,000. Accumulated Fund, arising entirely from Premiums, above £1,365,000, all invested in unexceptionable securities in this country.

REPORTS, Tables of Rates, and every information, may be had on application.
